2024 TOOLS FOR LEARNING LISTS

is Fully
BYOD in 2024

Tuakau College started launching BYOD (Bring Your Own Device) in 2022, starting with Year 7 and phased in Year 8 and Year 9 in 2023.

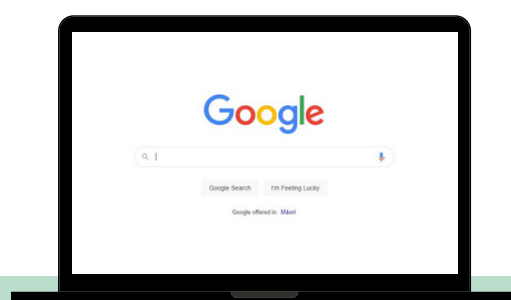

The entire school will be BYOD in 2024.

All parents/caregivers have received emails about this.

Our BYOD requirements are:

- a minimum of a Chromebook (a phone is not a device for BYOD)
- Device must have a keyboard
- Minimum 10.5" screen
- Must hold approx. 5 hours of charge
- Case for the device to protect it from damage

We have signed up with Noel Leeming to get best deals available. All students need to bring their own device - it is a learning tool. *Any further questions please contact a.jacobs@tuakaucollege.com*
