WISHING YOU ALL A  
**Merry Christmas + Happy New Year**  
*with love from the Staff at Tuakau College!*

## PRINCIPAL'S ADDRESS

2022 will be put down as the end of two memorable years, not just at Tuakau College, but throughout the 'motu' and around the world because it is the year that COVID-19 restrictions were lifted. Over the last two years we have experienced COVID-19 devastating the routines we had in place. This pandemic has impacted New Zealand society and changed our lives. It has changed how we interact with each other and how we view the world.

Now that the restrictions have disappeared there seems to be a 'COVID-chaos' in the world. The world has become more chaotic as it tries to teeter back to some kind of normality. It has affected:

- World peace - with Russia invading the Ukraine and China making noises to repatriate Taiwan.
- It has allowed extreme viewpoints to be accepted. Hate speech, misinformation, fake news is believed and prominent and the rights of people being eroded (for example in the USA Women's rights have disappeared in some US States around their body their decision)
- Unstable governments in many places - a new Prime Minister in the UK again!
- Economies suffering, people feeling the pinch due to escalating oil prices, the cost of food and spiraling inflation
- Tourism is multiplying exponentially as people travel the world again
- Work/life balance is invisible as businesses try hard to re-establish themselves and people work 24/7 to make ends meet
- The job market reallocation of resources - where have all the waiters, dishwashers, hospitality people, apple pickers gone too?
- People having the right to complaint about every little thing

This is just the tip of the iceberg on how COVID-19 has impacted us. In Biology Charles Darwin said "the environment has a critical role in naturally selecting the fittest to best exploit the environment it lives in." COVID-19 has now created an environment that we have to live in, and as a school we have to adapt to the changes to fit the new environment otherwise we fail.

New teaching and learning techniques were foisted upon us in an accelerated implementation under COVID-19. We introduced and expanded flipped classrooms, online learning, use of Google classroom and other learning platforms, ZOOM meetings and lessons and a re-evaluation of what we were teaching and what the students were learning to meet the standards.

The two years of COVID-19 has exaggerated the issues with some of our students in terms of their mental health. Across the country students have developed low resilience, they have become needier and less independent, they have less drive and tolerance and they are more distracted and require instant gratification.

It is now our role as educators and your role as parents to develop strategies to bring back the resilience, independence and drive in our students. To do this is going to take time and we need to do this together.

Albert Einstein said "if you keep on doing the same thing, you will get the same thing." Change is a continuous process, not an event, and any school which fails to deliver better ways of education to its students will not allow the students to adapt to the changes externally and the students will not survive in the new modern world.

Nelson Mandela said "education is the most powerful weapon which we can use to change the world." So; the simple advice is we have to embrace change and make it work for our students because they are the ones that are going to change the world.

A major impact of COVID-19 on our students has been the increased amount of time they are now spending on devices, such as their mobile phones. Over the last two years we have definitely encouraged them to engage and spend more time on devices. They had no choice because they had to be able to learn from home.

The fallout is our students are more hooked on devices than ever.

What goes 'hand in hand' with increased screen time is the increased misuse of the devices. We have experienced a huge increase in the misuse of mobile phones over the last two years. We have experienced things such as:

- more online bullying (which is blatant and nasty)
- more disruption to learning, as students are distracted by their phone in and out of class
- more teacher abuse because students believe it is 'their right' to have and use their phone at any time of the day and when confronted with this they become disobedient and eventually verbally abuse the staff.
- students are viewing pornographic photos as well as creating nude photos of themselves and sharing it with friends who share it on
- students saying things to others that they would never say to them face-to-face, encouraging others to misbehave and inciting violence
- students are taking unsolicited photos/videos of other students and staff who do not want their photo taken and publishing these without permission (such as photos of others in toilet blocks, PE changing rooms, etc)

Some students have lost their sense of morality and common sense. Most of the time the school is asked to fix the problem even though much of this occurs out of school hours. We are spending a disproportionate amount of time unravelling these situations, but as a school we do not own the problem. To all our parents - the problem belongs to you as a parent/caregiver! Do you know what your student is doing on their phone?

Before mobile phones, students could get away from the hustle and bustle of school and the bullies. Their bedroom at home was a safe haven to hide in. Today their bedrooms have become de-privatised because they take all these issues with them to their rooms through their phones and or other devices. They do not get a break from it. This is a contributing factor in a student's low resilience and the many mental health issues we deal with and facing on a daily basis.

As parents, what can you do? Firstly - who owns the phone? Who is paying for the data? Your child's safety from the 'darknet' is paramount and we have to take action. Here are some suggestions:

- turn the WiFi off at home.
- if they misuse their phone - take it off them
- limit the use of their phone during the day and night. Do not allow them to take their phone to their room
- review what they put on their Facebook and Instagram pages – parental locks and notifications will assist.
- do you know who their friends are of these Apps?
- support them if they are a victim of the abuse. Get the student to not engage with the students causing the issue. Do not respond to the abuser as you may escalate the issue
- get them to turn their phone off or defriend or remove the app
- o to the Netsafe website to gain further knowledge as to what you can do Report issues to the Police, instead of the school.

After consultation, the Board has decided that from February 2023 student mobile phone use at school between the hours of 9:00am to 3:30pm will be banned. Students do not need to have their phones at school because any internet use will be provided through school devices and any emergency the student has will be dealt with through the school. Mobile phones/ear pods/earbuds will not be allowed. We have done this to improve a number of things:

- to increase the face-to-face interactions with our students.
- reduce and prevent the taking of unsolicited photos/videos/etc at school
- more time will be spent on educating the students instead of dealing with the issues of mobile phones misuse
- improve relationships between students and students and students and staff
- allows for a decreased time in front of a screen. Although we will be using laptops and Chromebooks but at least at interval and lunchtime the students will not have their faces in a phone or screen.
- it will reduce the raru raru (issues) between staff and students.

This is going to be a major change for the staff and students but many schools are heading down this road. When you take away the drug from the drug addict there will be withdrawal period. We will expect this and will be ready for it. We have researched the impact of banning phones and found that similar schools to ours like Waiuku College and Te Puke High have banned them and they have found a huge positive impact on the climate of the school.

Another significant change for the College in 2023 is the timetable and delivery of the curriculum. We are changing to a 6x6 timetable - 6 periods a day over 6 days. This will support the students so that they are not missing the same periods when they are on trades, with an itinerant music teacher, studying through video conferencing (VC), when public holidays are on a Monday and/or Friday, etc.

The only difficulty, we will find, is that students and staff have to remember what day it is. A comprehensive explanation of this concept has been published in the last two e-Bulletin's of 2022.

The third significant change to Tuakau College, apart from the houses going up down Elizabeth Street in the Booker Estate, is the size of our roll! Over the next three years the roll is going to increase dramatically. We are expecting to have close to 900 students next year. But in 2024 there is a huge cohort of Year 7 students, which will push us to over 1000 students!

I can assure the school community that we are planning for this increase so that resourcing does not become a limiting factor. We are in discussions with the Ministry of Education in regards to new classrooms to be built. Unfortunately, these classrooms are usually built after the students arrive so it means our teaching spaces will become 'hot property.' The other factor which we are keeping abreast of is attracting great staff to join the College. There is a teacher shortage and we have been very lucky to secure great staff who want to move into the area.

The last issue is the increase in vaping by students. Vaping is the new scourge on our young people. It is easier to get vapes than cigarettes nowadays. The health implications are unknown but we know that vapes contain nicotine which is a poison and is highly addictive. Students would never light up a cigarette in class but this year we have had a number of students vaping in class. We have taken a strong stance on this. We need your support as a school community to deal with the issue and head towards reducing vaping in and out of school.

Finally; did you know that the College is 48 ½ years old? Tuakau College was opened in 1974 to educate the rangatahi of Tuakau and surrounding districts. We intend to celebrate the Golden Jubilee (50 years opened) in 2024. It is time to now communicate to the school community this event. A reunion Facebook group has been created and can be found on the Tuakau College Facebook page, under 'Groups.' We encourage all ex-students, staff and teachers to join this group. Let's celebrate our Golden Jubilee in style!

Thank you to the Board, the community and the Senior leadership team for their continued support of me as Principal. Also, thank you for supporting all the staff and ensuring our focus remains on our precious taonga - our students, their whanau and their future.

I want to thank the teachers, teaching assistants, relief teachers, teacher support, admin staff and the cleaning and grounds staff - all who have a role to play in making our school function and to make it the very best in all things. Your efforts never go unnoticed and from the school community I want to thank you for your efforts, especially through the COVID-19 era - you all do a fabulous job!

Over the year we have had some staff leave us and staff join us. To the staff leaving: thank you for your commitment to our school and we wish you the best for the future.

- Mr Prakash (Health and Physical Education Teacher) has resigned as he moves into a new home in Auckland with his family. We will welcome Miss A Blackwood to the school as his replacement.
- Mr Courtney (Year 7&8 Teacher) has resigned and is moving to Australia. We will welcome Mrs K Hume as a new Year 7&8 Teacher!
- Mr Kippen (Head of Technology) has resigned and Mrs C Stilwell (who many of you will remember from previous years) will be the Acting Head of Technology for Term 1, 2023 until a new Head of Technology is appointed.
- We will welcome back Mr K Medabala as an English Teacher, while Mr M Williams is on paternity leave,
- We will welcome back Mr A Palmer as a Social Sciences/Business Studies Teacher, while Mrs A Colmer is on Maternity Leave.
- We will welcome Mrs P Chahar as a new Science Teacher.
- We will welcome Mr Collins as a Music Teacher/Itinerant Teacher.
- We will welcome Ms P Toto as a new Te Reo Maaori Teacher.

I can assure the school community that as a school we are adapting to the pressures of today's society and that we are ensuring the achievement rates remain high and that your son or daughter will become an A1 citizen in an everchanging NZ society.

Nō reira, tena koutou tena koutou tena tatou katoa!  
*Chris Betty*

# ROUNDERS COMPETITION 2022

On the first day of school for all our students, after a morning of Whaanau House assemblies (via ZOOM) and Whaanau Class activities, the day was finished off with a whole school Rounders competition, split into year levels! This was the first House Competition of the year.

Congratulations to Tawhirimatea who placed first, Tangaroa who placed second, Tane Mahuta who placed third and Ruaumoko who placed fourth. Tawhirimatea have set the bar high for the rest of the houses to chase down in the next events. There was a high participation level and it was awesome to see our house colours all over the field!

## STUDENT LEADERSHIP TEAM 2022

The Student Leadership Team for 2022 (from left): Michayla Van der Byl (Head Student), Charlotte Hyland-Mills (Head Student), Awhinatia Ngataki (Head Student) and Samantha Smith (Head Student).

### Head Student Report 2022:

I will keep my speech short; I'll leave the long ones to Mr Betty! We have finally made it to the end of the year, and as one of Tuakau College's Head Students I have the honour of saying 'congratulations' and 'farewell' to you all.

I will be honest - I (like most students) am a terrible procrastinator, this speech being no exception. I avoided starting it until late last night when I most definitely should have been in bed. But if school assignments have taught me anything, it's that sleep is for the weak. This deadline, however, was very different to my usual ones, because I knew that once it came I would be saying goodbye to the school that had become almost like a second home, and to the people I have grown up with.

Yet here I am standing in front of you all delivering a speech, while seven years of memories hit me all at once. My time at Tuakau College has been filled with ups and downs, mistakes and memories, the novelty of the future has worn off and adulthood seems a lot more stressful than the movies make it look. "I can't wait to grow up" used to be such a common phrase, but now it doesn't seem so popular.

So I just wanted to say 'thank you.' Thank you to the teachers who would say "no question is a dumb question" and then immediately regret it. Thank you to the parents that dealt with the mental breakdowns and last minute supply runs. Thank you to the friends we made and to the bonds that were forged. Thank you Tuakau College for a lifetime of memories. Although it may be yonkers before we all meet again I want to say what a privilege it has been growing with you all. I wish you all the best in your future endeavours, I just know you will be amazing.

Ka kite ano, see you later!

*Charlotte Hyland-Mills*

## Head Student Report 2022:

Kia Ora and welcome to all of the students, parents/caregivers and teachers that are here tonight. I feel extremely proud and privileged to be speaking to you all at my last ever prizegiving at Tuakau College. Thinking back to Year 7 and my first day of high school, I never thought I'd be standing here in front of you all as one of the Head Students for 2022.

Tuakau College has given me so much and for that I will always be hugely grateful. I'm thankful for the amazing opportunities and experiences I've been fortunate enough to receive, and for the teachers who took the time to help me and my classmates not just in school, but in life.

I'm grateful for the community within Tuakau College and our small kura for fostering an environment where relationships between students and teachers can become so personal.

The laughs and incredible memories with my peers have made me realise that my life at Tuakau College has been so fulfilling. There have certainly been ups and downs within my schooling life, and I can definitely say NCEA doesn't get any easier, but there is no other school I would have rather attended.

At Tuakau College we always talk about and role model the values of our school, and I know having these as a strong base and foundation will help and guide me in the future.

It wouldn't be a speech in 2022 without mentioning the effects COVID has had on my schooling life. I was in my first year of NCEA when suddenly we were all sent home for what we were told was two weeks. As we continued life through lockdowns it felt like most of the year had disappeared from under my feet, and school became an even more stressful experience. Coming back to school after the start of the pandemic and getting an earful from Mr Walia about how far behind we are didn't help either.

However, the COVID19 pandemic was certainly a new learning journey and has taught me lots about resilience, self-discipline and the need to be agile. As we went into isolation, we needed to adjust quickly with the introduction of home learning and how to engage and connect with people remotely. Being a social person, it was hard to adjust, but we are lucky to have the technology allowing us to connect virtually.

It has been great to finally have a full year back at school without major COVID and lockdown disruptions. I think I can speak on behalf of all of us when I say we need to appreciate the things we have and never take them for granted!

Tonight, I look out at everyone here from the pinnacle of my mountain. I see the students beside me climbing theirs, as well as the teachers who guide us along the way. There may have been missteps, and slips from the track, sometimes we even found ourselves blown off the mountain, but, with the help of each other, we found our footing once more.

Take some time to look across at the high-achieving students around you, and then think about where you are on your journey up the mountain. We can all aim for the summit.

And now, as I stand on this peak, this pinnacle, I can see that there is another mountain ahead of me but I know that I am prepared, and excited for this new journey.

I will leave Tuakau College as someone who knows that to climb a mountain is to fall, but also, to get back up, and I am ready for that next adventure.

So finally, congratulations to all the well deserving prize winners, and to the teachers who made this all possible. Thank you to my parents who have helped me to become the person I am today and to the rest of the Year 13's who I had the privilege of leading this year and growing up with.

Thank you! *Samantha Smith*

# BLESSING OF NEWLY REFURBISHED ADMIN BLOCK 2022

This year we had the blessing of our newly refurbished Administration Block. We also blessed and paid respects to the newly completed carving( located at the new front door) dedicated to Whaea Jacque Hema. Thank you to the carver, Uenuku Hawira, for the re-modelling of the carving and the placement at the front entrance. Thank you to the kaumatua, local community, staff and students for their support and attendance at the blessing.

After months of hard work from Pukekohe Builders, architects and other contractors, the Administration Block is completed! The Senior Leadership team, administration staff, Accounts Office staff and School Nurse (Health Centre) are enjoying the use of their new area. The Student Centre and Deans remain where they are, and all parents/caregivers still go to the current Student Centre.

"Hapaite te ara tika pumau ai te rangatiratanga mo nga uri whakatipu."

"Foster the pathway of knowledge to strength, independence and growth for future generations."

# DIWALI CELEBRATIONS 2022

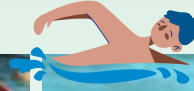

Our students enjoyed celebrating Diwali again this year! There was lots of Bollywood dancing in D Block and students were able to have henna designs drawn on their hands! Diwali is the Indian festival of lights that celebrates the triumph of light over darkness, good over evil and the human ability to overcome.

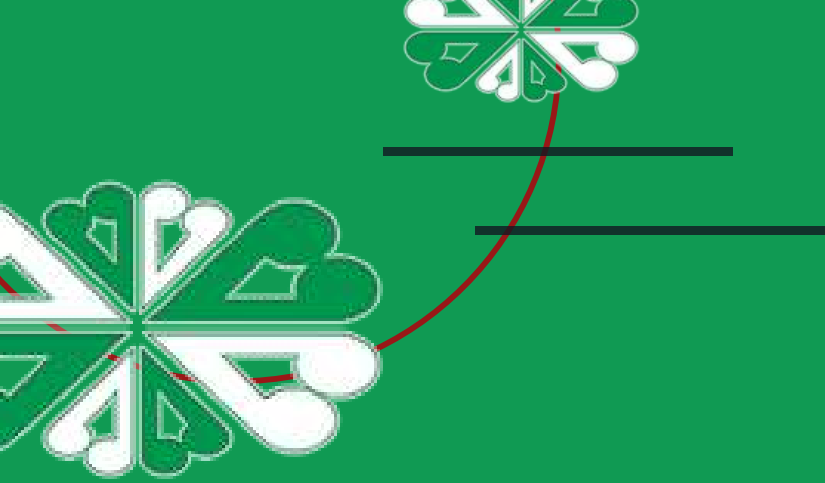

# SWIMMING SPORTS 2022

Due to COVID-19 'Red' settings we were unable to hold our awesome Swimming Tabloids this year, but we were able to have our Swimming Championships! Well done to all the students that participated! Tangaroa placed first with 174 points, Ruauumoko placed second with 156 points, Tane Mahuta placed third with 89 points and Tawhirimatea placed fourth with 57 points! A special congratulations to Charlotte Hyland-Mills who broke all five of her own records!

2022 TUAKAU COLLEGE

# Whaanau Classes

NGA AKOMANGA WHANAU

The Yearbook usually features Junior College and Middle College homeroom class photos and Year 11, 12 and 13 student's ID photos. Due to COVID-19 disruptions in 2022, we did not have homeroom photos taken this year. Published in the 2022 Yearbook are our Whaanau Class photos.

# GARDEN TO TABLE

GROW, HARVEST, PREPARE, SHARE

## AT TUAKAU COLLEGE

Tuakau College is now a 'Garden to Table' school. This programme has four pou to provide students an opportunity to grow, harvest, prepare and share. A Year 7 class (7O) pioneered the programme this year and based on the success of this rollout, the programme may be extended to all Year 7 and 8 students in 2023!

We have chosen to be part of this programme to instill a passion for gardening and cooking from a young age. 'Garden to Table' believe that children are changemakers and their kaupapa is to empower rangatahi to grow, harvest, prepare and share great food. The four pou will allow students to:

- **To grow:** connecting to Papatūānuku, understanding how our earth can produce nourishing seasonal kai
- **To harvest:** practicing food security for now and the future
- **To prepare:** reducing food waste and creating tangible connections between the earth and our kai
- **To share:** finding creative ways to use produce and enabling korero around where kai comes from

**How does 'Garden to Table' work?** A 90 minute weekly session, half the class in the kitchen and half in the garden, linked with school curriculum. The children will do everything themselves in the garden and kitchen.

This will include sowing seeds and feeding soil, planting and composting, watering, using real-life tools, measuring and weighing, working as a team, sharing and enriching school connections.

In May our 7O class completed their first cycle of 'Garden to Table.' They harvested their first crop of kale, cooked it and shared the kai. The seedlings were watered regularly and beds maintained. Prior to harvesting the class researched a range of recipes and then made up their own. Harvesting was filled with excitement and participation and cooking their own recipe was a lot of fun! The students worked together to prepare their meal and set the tables and then sat around the table and shared the food they produced from their own garden. The students are looking forward to growing a variety of vegetables in the future!

# MAU RAAKAU WAANANGA 2022

During the month of May, a group of 22 boys from Year 9 and Year 10 Reo Rua had the opportunity to learn the whakapapa and tikanga of Mau Raakau. Matua Taane Te Koi, of Uekaha Consultants, and pouako Jalani Te Koi and Kimiora Te Koi facilitated the three day waananga which was held at Te Awamaarahi Marae.

A huge mihi to our tutors for their maatauranga and humility shown in their work with the boys. They were amazing. The boys engaged in the learning and did the mahi at a pretty accelerated pace. They persevered through the physical demands of mau raakau and had to be attentive and focused in waananga situations.

There were so many highlights, but a few included learning the many different movements of mau raakau and haka, visiting and understanding the deep significance of Waikato pakanga (battle) sights from Pookino to Rangiriri and finally, performing aspects of what they learned in front of their whaanau and peers.

We hope that the boys will continue to practice and develop their skills. Huge thanks to parents/caregivers, Te Awamaarahi Marae and our kaiako for the support of this kaupapa. Ākina Hō!

Poroporoaki (farewell) at Rangiriri.

Boys perform to parents/caregivers and peers.

Taking in the significance of Te Teoteo Paa at Whangamarino.

Kimiora, Matua Taane and Jalani Te Koi.

Learning about the pou (carved posts) at Rangiriri.

Walking up to Te Teoteo Paa.

Practice at the marae.

Boys being led through the waharoa (entrance) at Rangiriri trenches.

Kimiora taking the boys through some movements.

Jalani teaching Hemi some defensive moves with raakau.

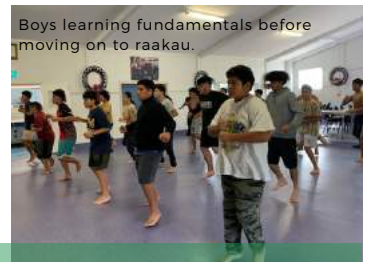

A haka at Meremere, saluting to Ngaa Hau E Whaa (the 4 winds).

Matua Taane explains the significance of Te Pou o Mangataawhiri.

Boys learning fundamentals before moving on to raakau.

# NETBALL COMPETITION 2022

**During June some of our students competed in the Whare Netball Competition, hoping to earn some more points for their house!** It was great to see so many students getting involved! After some close games and finals, we ended up with a first equal!

Congratulations to Tane Mahuta and Tawhirimatea who placed first equal with 29 points each. Well done to Ruaumoko who placed second with 15 points. Well done also to Tangaroa who placed third with 14 points.

# VOLLEYBALL COMPETITION 2022

**During June, some of our students also participated in our Whare Volleyball Competition during lunchtimes!** Well done to Tangaroa who were named the champions for 2022!

Tawhirimatea placed second, Ruaumoko placed third and Tane Mahuta placed fourth!

# JUNIOR COLLEGE SPEECH FINALS 2022

In June our Year 7 and 8 speech finalists presented their speeches at the Junior College Speech Finals. They all spoke with confidence and passion and showcased their academic talent and emotions in front of a large audience.

In the Year 8 category, first place was awarded to Arviah Stewart for her speech about 'Are schools teaching us life skills?' Second equal went to Oliver Goodhand for his speech about 'why cell phones should be banned at school' and Logan Welch for his speech on 'Inflation.' Rafael Tonga-Awhikau was awarded a Commendation for his speech titled 'Do you understand what a 'haka' is?'

In the Year 7 category, first place was awarded to Ava Wilson for her speech about 'Why we should not believe everything we see on the Internet.' Second place went to Louise Mosheim for her speech about 'NATO' and a Commendation was awarded to Millie Calder for her speech titled 'Never underestimate women!'

# MIDDLE COLLEGE SPEECH FINALS 2022

The final week of Term Two saw one of the highlights of the English calendar when the Middle College speech finals were held. It was outstanding to see some incredibly powerful and personal speeches be delivered by our students. The topics were wide ranging from "The Theory of Hitler's Death" to "Why we should change the way our factories work". It was fantastic to be able to celebrate the wonderful effort and achievements of our Middle College students.

In the Year 10 category, first place was awarded to Skye Jenkins for her speech on 'Theory of Hitler's death.' Commendations went to Annabelle Beeby's speech on 'Women's rights' and Alex Gummer's speech on 'LGBTQ!'

In the Year 9 category, first place was awarded to Chloe Jamieson for her speech titled 'I'm only human.' Commendations went to Caleb Quinlan for his speech on 'The power of sound,' and Peyton Van de Westerlo for her speech on 'Body Image.'

Year 10 Digital Technology: Commendation - LJ Whiunui  
Year 10 Design and Visual Communication: Commendation - Ashle Nicholls  
Year 10 Drama: 1st in Subject - Ashle Nicholls

# ATTITUDE TALKS 2022

**Each year all our students (in Year level groups) have an Attitude talk presentation.** Attitude has been delivering engaging, informative, inclusive and inspiring presentations in New Zealand schools for over 25 years and our students enjoy them! Attitude are a team of presenters who are passionate about delivering hope-filled messages to young people.

Their presenters are not teachers or behavioural psychologists but they are relatable and authentic role models and expert communicators. By using story telling and humour as their platform, their key presenters are highly effective at reinforcing key resilience, wellbeing and life skills messages for diverse audiences of young people across Aotearoa.

# MUSIC CONCERT 2022

Our first Music Concert was a great success! Held on Wednesday 29 June in our school Gymnasium, the audience enjoyed some amazing performances from our Music students! We have some real talent amongst our students and they shone like Matariki stars! Well done to all the students that performed (we know it can be very scary!) and we look forward to more Music Concerts in the future!

# JUNIOR SOCIALS 2022

Our Year 7-10 students enjoyed the socials the we held over the year!

# Matariki

## CELEBRATION EVENING

***Recognising Māori student achievement***

**On Thursday 7 July, we held our Matariki Awards evening at Ngā Tai E Rua Pā (marae) in Tuakau.** It was a lovely evening and a big congratulations to all the award winners. We were fortunate to have Taane Te Koi speak to our students and those that attended the evening.

### WHAANAU PUUMANAWA TAONGA

Tupu-aa-nuku Award - Taiarangi Hira-Thompson  
Tupu-aa-rangi Award - Cordell Hawkins  
Hiwa-i-te-rangi Award - Michayla van der Byl

### YEAR 7 TO YEAR 11 AWARDS

Year 7 (Ngaa Tai E Rua Marae) - Millie Calder  
Year 8 (Te Awamaarahi Marae) - Knesian Oti-Kihi  
Year 9 (Te Kotahitanga Marae) - Phoenix Manning  
Year 10 (Tikirahi Marae) - Hemi McGrath  
Year 11 (Tauranganui Marae) - Whaitiri Preston

### NCEA AWARDS

NCEA Level 1 Winner (Ooraeroa Marae) - Naya Aislabie  
NCEA Level 2 Winner (Weraroa Marae) - Emma Lang

### LEADERSHIP AWARDS

Year 12 Aspiring Leader (Ngaa Hau e Whaa Marae) - Mica Matthews  
Outstanding Year 13 Leader (Pukerewa Marae) - Te Aomarama Heta  
Te Puuaha O Waikato Supreme Award (Huakina Development Trust) - Awhinatia Ngataki

# School Ball 2022 Poi Kura 2022

Our Senior students enjoyed their evening at the School Ball on Sunday 10 July, held at the Markovina Vineyard Estate in Kumeu. The King of the Ball for 2022 was Zachary Blundell and the Queen of the Ball for 2022 was Maya Curtis.

To see all photos of the event please visit [https://www.whitedoor.co.nz/gallery-collection/Tuakau-College-Ball-2022/C0000ktb\\_kR9P2gE](https://www.whitedoor.co.nz/gallery-collection/Tuakau-College-Ball-2022/C0000ktb_kR9P2gE)

# CROSS COUNTRY 2022

**This year it was awesome to see students getting involved and earning some house points!** Congratulations to Tangaroa who placed first with 1250 points! Well done to Tane Mahuta who placed second with 1196 points, Tawhirimatea who placed third with 1195 points and Ruaumoko who placed fourth with 924 points. It turned out a beautiful day for it and the recent rain had made the swampy areas very boggy!

**A special well done to all our Cross Country Age Group Champs for 2022:**

## YEAR 7 GIRLS

1st - Charlize Sabine  
2nd - Maryjane Davis  
3rd - Leah Green

## YEAR 7 BOYS

1st - Noah Otunuku  
2nd - Liam Goodhand  
3rd - MJ Holroyd

## YEAR 8 GIRLS

1st - Danielle Claridge  
2nd - Natasha Butler  
3rd - Aylah Henderson

## YEAR 8 BOYS

1st - Shaveen Kumar  
2nd - Oli Goodhand  
3rd - Cayden Taylor

## JUNIOR GIRLS

1st - Hazel McMillan  
2nd - Sophie Hall  
3rd - Lauren Rowsell

## JUNIOR BOYS

1st - Nian Van Loggerenberg  
2nd - Strummer Archer  
3rd - Caleb Quinlan

## INTERMEDIATE GIRLS

1st - Gaia Bowers  
2nd - Danelle Young  
3rd - Jordyn Tuhiwai

## INTERMEDIATE BOYS

1st - Joziah Otunuku  
2nd - Whitiri Preston  
3rd - Aryan Kumar

## SENIOR GIRLS

1st - Samantha Smith  
2nd - Marisa Rowsell  
3rd - Caitlin Lees

## SENIOR BOYS

1st - Daniel Burrows-Chatwin  
2nd - Kullen Montgomery  
3rd - Brooklyn Murphy

# TOUGH GUY/TOUGH GAL 2022

During July, some of our Year 12 and Year 13 students competed in the Tough Guy Tough Gal competition! The weather was beautiful and there was plenty of mud and smiles! Well done to all who participated! A special mention goes to Miss Drew who placed first in the 'female teachers' category!

# AIMS GAMES 2022

**A massive well done to all the Year 7&8 students that represented our school at AIMS Games this year at Mount Maunganui!** We had a Football team, Netball team, Rugby 7's team and students compete in Cross Country! This was very exciting for our students as AIMS Games has been cancelled the last two years due to COVID-19, so it was great to have this event again! A special mention to our Netball team who placed 26th in A Grade - this puts them in the top 32 out of all netball teams! All students showed great perseverance throughout the week (despite lots of rain and wind)!

**Zespri** AIMS GAMES  
KIWIFRUIT

# FYFOD 2022

**This year some of our Year 7&8 students had the opportunity to participate in the week long FYFOD (Find Your Field Of Dreams) Sports Camp at Camp Adair!** Our school placed 8th overall and had a fun week participating in sports they had played before and some they hadn't, like bowls.

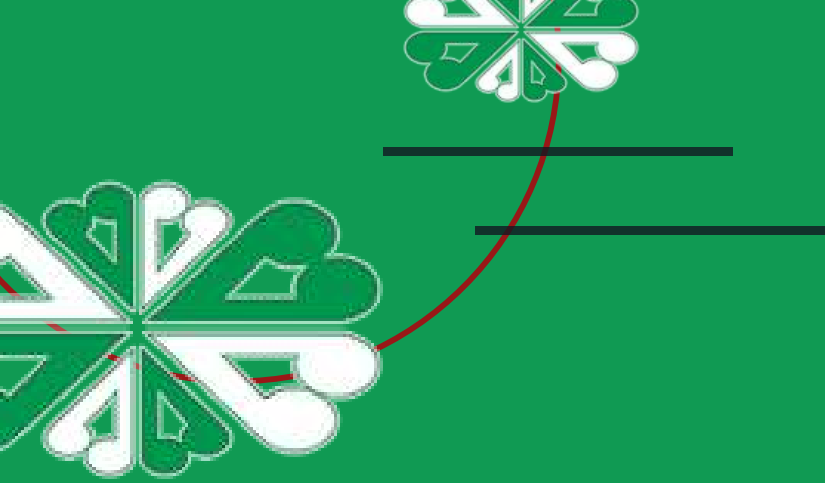

# TUG OF WAR 2022

**Our students got their muscles out for our Tug of War house competition on the last day of Term 3.** Congratulations to Tawhirimatea who took the win! Tane Mahuta placed second, Tangaroa placed third and Ruaumoko placed fourth.

It was great to have this house competition again after COVID-19 meant we couldn't have it last year!

**Rugby 1st XV:** Sportsmanship - Whaitiri Preston, Most Improved - Kyan Young, Most Valuable - Ofa Latu'ila

# 1ST XV RUGBY TEAM WIN 2022

On Saturday 27 August our 1st XV Rugby team won the 2022 Counties Manukau Rugby Secondary Schools 1st XV Premiership Final - making them the champions! This team was a combined Tuakau College-Onewhero Area School team. The coaches were Brett Henry and Shane Roberts and the manager was Hayley Danford. The final was played against Hauraki Plains College and the final score was 14-10 to Tuakau College!

The team improved all season and when it came to the last game they certainly made it count. We congratulate the team and the coaching and management staff for an excellent season. 'We are the Champions' by Queen played loud and strong in the changing rooms after the win!

# UNISS NETBALL TEAM WIN 2022

Our UNISS Netball team won Premier A Grade after winning their game against Waiuku College 34-31, in extra time. Samantha Smith was named as a Premier Grade (Section 1) Talent Identified Player. The team went on to place 4th overall at the Winter Tournament Week. This result means they will move up to A Grade next year! Six years ago Tuakau College moved up to B Grade, so moving up to A Grade is an outstanding achievement!

Congratulations also to our Senior B team who won their game against Papatoetoe High School and received Gold medals. Our Year 9 Premier team were runners up to Aorere College, placing them second overall. Congratulations to our AIMS team who won against Ormiston Y7&8 team and won Gold medals! Our Whero team placed third overall and our Kakariki team placed sixth overall. Well done to all our netball students on a fabulous season, representing our school with pride!

# Senior Prizegiving

2022

Due to COVID-19 Alert Levels we were unable to have Senior Prizegiving this year! Instead we had a virtual presentation to announce our Senior prizewinners. See below for a full list of prizewinners!

**Dux Trophy**  
Overall Academic Excellence in Year 13

Rhianna Barker

1st in Statistics - Rhianna Barker  
1st in Tourism - Jessica Johnson

# YEAR 13 LEAVERS 2022

On Wednesday 30 November we had our Leavers Dinner where we officially farewelled our Year 13 students. It was a lovely evening and great to see so many students receiving their certificates for completing 13 years of schooling. We wish them all the best for the future and the very best in all things!

A special thank you to Rawhiti-Whenua Ngataki, an ex student, who was our guest speaker and gave our students some great advice!
