## Koorero a te Tumuaki The Principal speaks:

We are at the end of May and halfway through the second term already! Our Cross Country earlier this month was a great day and there are photos and results inside this e-Bulletin. It's been awesome to see the winter sports season kick off and great to see students representing our kura with pride. Results and some photos can be seen inside this e-Bulletin!

We are halfway through the year and busy planning for 2027. The process for enrolment will begin shortly and online enrolment applications for next year will open in late June on our website. If you know of families that may want to enrol at Tuakau College please tell them to keep an eye on our website and Facebook/Instagram pages for enrolment updates.

From 11-15 May we celebrated Support Staff Appreciation Week! This week is the celebration of all the mahi our support staff complete in our kura. We want to recognise all our support staff and thank them for their ongoing dedication and hard work to support our students and teaching staff. Tuakau College would not function without their outstanding work and contribution. "Ehara taku toa i te toa takatahi, engari he toa takatini - My strength is not my individual strength, but the strength of many." It emphasizes the importance of collective effort and teamwork in achieving success. Support staff are the cogs in the engine that keep schools running and their skills are invaluable! Thank you to all our support staff - you're awesome and we appreciate all your mahi!

***The Principal speaks continued. . .***

. . . We are in the process of gathering voice from our whaanau and community to help shape our 2027-2030 Strategic Plan. As we look ahead, we want to hear what matters most to you and your tamariki. Your voice is important to us and will help us shape the future direction of our kura. Surveys have been sent to all students, staff and parents/caregivers and we encourage you to complete these surveys to have your say.

If you prefer to meet and respond face-to-face, we will be holding two Whaanau hui (meetings). The first hui for Maaori whaanau will be on Wednesday 3 June at Ngaa Tai e Rua Paa (Carr Street, Tuakau) from 6pm - 8pm. This hui is for Maaori whaanau or anyone else that has an interest in improving outcomes for Aakonga Maaori. The second hui for all whaanau will be on Wednesday 10 June at Tuakau College (in the iHub) from 6pm - 8pm. This hui is for all families/whaanau. Nau mai, haere mai! The link to register for both these hui has been sent to all parents/caregivers in an email earlier this month.

## Kahungunu's sporting success

### *Te angitū hākinakina a Kahungunu*

#### **A massive congratulations to Kahungunu Aubrey-Lindsay (Year 13 student) for his recent sporting successes!**

Earlier this year, Kahu attended the prestigious Men's Stars Netball trials and impressed selectors with his talent, dedication, and work ethic. We are incredibly proud to announce that he has been selected as a Training Partner for the Men's Stars team! The Men's Stars compete in the ANZ competition alongside some of the top men's franchise teams in Aotearoa, making this an outstanding achievement and a huge step forward in Kahu's sporting journey.

Kahu's talent doesn't stop there! Alongside his passion for Netball, he has also been selected in the Maaori Basketball team travelling to Phoenix, Arizona (US) to compete in the largest Indigenous basketball tournament in the USA. This is an amazing international opportunity and a testament to Kahu's commitment, versatility, and hard work across both sports. The USA tournament is self-funded, so if you would like to support Kahungunu in reaching this incredible opportunity, please contact Ani Taua, the Sports Co-Ordinator, on [a.taua@tuakaucollege.com](mailto:a.taua@tuakaucollege.com)  
Outstanding work Kahu - your Tuakau College whaanau is behind you all the way!

## Orienteering Zone competition

### *Whakataetae Rohe Whakatairanga*

**Tuakau College had five teams enter the Franklin Zone Orienteering event, held at a local farm in Bombay.** The weather was perfect, creating ideal conditions for the day's competition. Once students checked in, they set off across the course and were not seen again until they crossed the finish line – with only a couple of students taking an unexpected detour along the way. Overall, it was a fantastic day with students showing determination, teamwork, and resilience throughout the event, resulting in some excellent performances and results for the college.

## Australasian Schools Mathematics Competition *Te Whakataetae Panganga Kura o Australasian*

The CAT Competition is one part of Australian Math's Trust program of mathematics and algorithmics challenges. This competition encourages deeper learning and provides students with opportunities to further develop their skills, problem-solving abilities, and confidence over time.

Last Tuesday we had 22 students from across all year levels participate in the competition. The event ran very smoothly, and students remained highly focused while enjoying the opportunity to experience something new and challenge themselves outside their comfort zones. We look forward to receiving the results by the end of the term.

**Pink Shirt Day 2026**  
**Ra Hate Mawhero 2026**

On Tuesday 26 May we celebrated Pink Shirt Day and it was great to see students and staff wearing pink in support of this! Pink Shirt Day is about working together to stop bullying by celebrating diversity and promoting kindness and inclusiveness. Pink Shirt Day is the day Aotearoa comes together to take a stand against bullying. The Mental Health Foundation of New Zealand (MHFNZ) has run the campaign since 2012, inspiring tangata to Kōrero Mai, Kōrero Atu, Mauri Tū, Mauri Ora – Speak Up, Stand Together, Stop Bullying! Our Year 12 Health students ran activities on the day, as part of their assessments for the year.
