2024 Term 1 Calendar
 and start dates

**Tangaroa

Tangaroa is the 'god of the sea.'
 Māori believe that water is an
 energy, with many moods. It
 can be calm and life-giving, or
 dangerous and destructive. This
 energy is called Tangaroa – 'god
 of the sea.'

Koorero a te Tumuaki The Principal speaks:

Kia ora koutou katoa!

October has flown by and our senior students are on study leave already! It was so awesome to celebrate our senior students successes at the Senior Prizegiving on Thursday 26 October! A special congratulations to all our special prizewinners, especially Rochell Pangilinan, our 2023 Dux! We had a lovely Year 13 Breakfast the morning following the prizegiving, where our staff got to say 'goodbye' to our Year 13 students for the year.

On that note, senior students should only be on site for external exams or to do work with a specific teacher. If students are here for exams they must be in correct uniform and if they come early or stay later in order to catch the bus, they must be in the iHub during this time and sign in and out at the Student Centre. If students are coming in to do work with a specific teacher they also must be in correct uniform and must sign in and out at the Student Centre. Students are NOT to be at school wandering around or unsupervised. If they are, they student will be told they are not able to come in to school.

A reminder that NZQA exam admission slip information is correct, but the dates are not necessarily displayed in order. Please make sure students don't miss an exam without realising. This is NZQA's doing, so please make sure to

Koorero a te Tumuaki Haere tonu The Principal speaks continued:

... check all the dates carefully, remembering they are not necessarily in chronological order. Any queries can be directed to Mr Walia on r.walia@tuakaucollege.om

This week our Middle College students have been completing their Literacy and Numeracy exams, as well as their Middle College exams. It's great to see these students giving it their best. These help prepare our Year 9 and 10 students for NZQA exams in the future as well. There was a nationwide NZQA hiccup at the start of these exams where students couldn't log in so we have had to move one exam to Wednesday 1 November. Apart from that they have run smoothly.

Coming up is our Camp Week for Year 7, Year 8, Year 9 and Year 10. We love seeing our students enjoy these camps and extra-curricular activities. A special thanks also to the teaching staff that volunteer to go on these camps and our awesome parents/caregivers who put their hand up to help too! These camps and trips couldn't go ahead without your support and we are thankful for your help. It is a pity we are having another round of wind and rain and we are hopeful that our camps can still go ahead. We feel for those living in areas who are/will be affected by flooding once again.

Our school Board Mid-term election is well underway. We have three positions on the Board and we received six candidate nominations so a vote will take place. Voting papers have been sent to all parents/caregivers and these will be delivered to you whenever the New Zealand post system delivers them to you. We encourage you to vote and return your voting papers in the pre-paid envelope supplied to you. Voting closes at 4pm on Wednesday 15 November, 2023 and results will be announced on Wednesday 22 November, 2023 as per the New Zealand School Trustees Association election timeline for our school.

Please take note that we have a Teacher Only Day on Friday 17 November, 2023.

Term 4 ends on Wednesday 13 December, after the Junior and Middle College prizegiving's.

As we get closer to the end of this year, we start preparing for 2024! Start dates for 2024 can be found further on in this e-Bulletin. We are finalising the Fees Schedule and Stationery Lists for 2024 at the moment and these are expected to be published in the next couple of weeks.

This is very hectic, busy time of the year for the school and its students and we know it is for parents/caregivers/the community as well. Let's all stick together and help each other through the last couple of months of 2024. Before we know it, it'll be Christmas and summer (hopefully!) holidays.

TERM 4 VALUE - EXCELLENCE

Striving for excellence is trying to do your best. When we strive for excellence, we feel satisfied with a job well done. We learn from our mistakes and don't let them define us. We enjoy the process, not just the outcome of our endeavors. And we remain flexible and can adjust our standards and goals as needed.

What's the difference between excellence and success? Success is often measured by comparison to others. Excellence, on the other hand, is all about being the best we can be and maximizing our gifts, talents and abilities to perform at our highest potential. We live in a world that loves to focus on success and loves to compare.

World Scout Jamboree Jamboree Scout o te Ao

From 22 July to 15 August I had the opportunity to travel to South Korea and attend the World Scout Jamboree with over 52,000 people from over 150 different countries. This event is held every four years and the next one is in Poland, which I am hoping to attend as a leader. For 12 days you spend time with people from all over the world learning about different cultures and getting to experience new things. With the New Zealand contingent there were roughly 100 of us and we spent the first 10 days exploring South Korea. I had the chance to see many temples, go to theme parks, an overnight temple stay and go to markets and eat lots of really weird food. Due to it being around 35 degrees everyday it became quite dangerous at the Jamboree site. Within the first day 400 youth and leaders went to hospital with heat related events and the numbers increased in the days. Many people got heat stroke and due to it being very dangerous many countries had to leave early for the safety of their participants. On Day 4 the New Zealand team announced that they would be leaving early, due to a big monsoon that would make the campsite flooded. Everyone had to evacuate on Day 6 and two days later where everyone was staying was knee deep water. Even with all this it was still an amazing opportunity and I have worked hard for many years to get to this opportunity. I worked for many years at multiple different jobs and took every opportunity I have been given and am giving back to the community through Scouts by being a Kea Leader at Scouts, running the nights and keeping the kids safe at camps while they learn new skills.
